

InfinityPATH

SPECIALISTS IN HISTOPATHOLOGY

InfinityPATH Melbourne laboratory now open!

InfinityPATH is one of the largest and fastest-growing independent private pathology labs in Australia. In July 2022, InfinityPATH opened a new state of the art laboratory located in Coburg North, Melbourne.

InfinityPATH founded in beautiful Brisbane, Queensland in 2011, is a non-corporate boutique **Histopathology** laboratory consisting of a passionate team of people who are focused on quality service for our doctors, patients and colleagues.

We are seeking an **Experienced Anatomical Pathologists (specialising in skin pathology)** to join our dedicated **InfinityPATH** team in InfinityPATH's **Melbourne** Branch Laboratory. This position requires you to report onsite in the laboratory.

InfinityPATH offer tailor-made packages including profit sharing to assist and safeguard you and your professional network now and into the future.

Package also includes conference/study leave and allowance; relocation expenses can be negotiated if required.

With an experienced team of inhouse software developers, **InfinityPATH** are one of the pioneers of advanced Laboratory Information Systems (LIS) in Australia. **InfinityPATH's** custom built LIS is designed to facilitate efficient high-quality reporting for our pathologists and to enable easy communication of information.

InfinityPATH's vast logistics network extends nationwide, from major towns and cities to regional areas including mining districts.

You will be supported by a dedicated, steadfast, and skilled team of scientists and administration staff. There are no complex surgical specimens, frozen sections or on-calls duties, ensuring an excellent work/life balance.

With regular multi-header sessions to discuss the interesting cases, access to nationally recognised experts in the field (both on-site and off-site) and support for participation in national and international conferences, you will be able to further develop your expertise.

The successful applicants will require Fellowship of Royal College of Australasia (FRCPA) and must be eligible for Specialist Registration with AHPRA. Expressions of interest from both experienced and junior pathologists are welcome.

Be a part of the team making a difference in the pathology industry - come and join the **InfinityPATH** team!
